Preamble

This Agreement entered into this _____ day of _____, 2017, by and between the Board of Directors of the Lincoln County School District, hereinafter the “Board” or “District,” and the Lincoln County Chapter of the Oregon School Employees Association, hereinafter the “Association.”

Article 1 — Recognition

A. Exclusive Representation

The District hereby recognizes the Oregon School Employees Association as the exclusive bargaining representative, as defined in ORS 243.650, for all classified employees except supervisory employees, confidential employees, academically licensed employees (including teachers, social workers and nurses), temporary employees, substitutes and department heads having evaluative responsibilities over other staff members.

B. Definitions

1. Employee: A member of the bargaining unit represented by the Association.
2. Temporary employee: A person who is employed for a specific job upon the completion of which service will not be required on an ongoing basis provided the work does not exceed ninety (90) calendar days during a fiscal year defined as July 1 through June 30.

Normal school breaks and other interruptions of the same job do not establish a new 90 calendar day period.

In order to enable monitoring of contract compliance as regards temporary employees, the District will supply the Association president with a copy of the Temporary Employment Agreement for each non-academically licensed, non-supervisory, non-confidential and non-administrative temporary employee at the time of hire and will notify the Association president at the time that these temporary jobs have been completed.

Should it become known that the temporary assignment will become permanent, the position will be filled per the terms set forth in Articles 10 and 19 as applicable.

3. Substitute: A person who is employed to replace an absent permanent employee. Any person who performs service as a substitute during six (6) continuous months or more shall be considered a permanent employee for all purposes for the remainder of that fiscal year and the following fiscal year if he/she continues service as a substitute on the same work basis as during the past year.
4. Permanent Replacement: Temporary and substitute employees shall not be used to replace a permanent classified position. This shall not be construed so as to prevent a temporary or substitute employee from applying for a permanent classified position.
5. Summer Help: Summer help hired during May to September who are enrolled in a college or university, are not restricted to the 90 days and are not considered a classified employee.

C. No Obligation

Granting of recognition is not to be construed as obligating the District in any way to continue any functions or policies.

Article 2 — Management Rights

- A. The Board has the responsibility for formulation and implementation of policies and rules governing the educational program and services of the District. No delegation of such responsibility is intended or to be implied by any provisions of this Agreement.
- B. Recognizing the above, the parties agree that the District retains all the customary, usual and exclusive rights, decision-making, prerogatives, functions and authority connected with or in any way incident to its responsibility to manage the affairs of the District or any part of it. Rights of employees in the bargaining unit and the Association are limited to those set forth in this Agreement or provided by Oregon statute, and the District retains all prerogatives, functions, and rights not limited by the terms of this Agreement or by Oregon statute.
- C. Without limiting the generality of the foregoing, it is expressly recognized that the Board's operational and managerial responsibility includes:
 - 1. The right to determine location of the schools and other facilities of the school system, including the right to establish new facilities and to relocate or close old facilities.
 - 2. The determination of the financial policies of the District, including the general accounting procedures, inventory of supplies and equipment procedures and public relations.
 - 3. The determination of the management, supervisory or administrative organization of each school or facility in the system and the selection of employees for promotion to supervisory, management or administrative positions.
 - 4. The maintenance of discipline and control and use of the school system property and facilities.
 - 5. The determination of safety, health and property protection measures where legal responsibility of the Board or other governmental unit is involved.
 - 6. The right to enforce the rules and regulations now in effect and to establish new rules and regulations from time to time not in conflict with this Agreement.
 - 7. The direction and arrangement of all the working forces in the system, including the right to hire, suspend, discharge or discipline or transfer employees except as provided for herein.
 - 8. The creation, combination, modification or elimination of any position.
 - 9. The determination of the size of the working force, the allocation and assignment of work to employees, the determination of policies affecting the selection of employees, and the establishment of quality standards and judgment of employee performance.

10. Determination of the layout and the equipment to be used and the right to plan, direct, and control all work activities; including the processes, techniques, methods and means of performing work.
 11. The right to establish and revise the school calendar, establish hours of employment and to assign workloads.
- D. Nothing in this Agreement shall limit in any way the District's contracting or subcontracting of work or shall require the District to continue in existence any of its present programs in its present form and/or location or on any other basis.
- E. The foregoing enumerations of the functions of the Board shall not be considered to exclude other functions of the Board not specifically set forth; the Board retaining all functions and rights to act not specifically nullified by this Agreement.
- F. For further reference, see ORS 332.072, 332.075, 332.105 and 332.107. Also ORS Chapter 243.

Article 3 - Association Right and Responsibilities

- A. Upon request, the Association may be allowed use of such office equipment as needed to provide duplicating and information to the employees. The Association will pay the reasonable costs of all materials and supplies incidental to such use, and for any repairs, excluding routine maintenance, necessitated as a result of using equipment.
- B. Whenever mutually scheduled, Association representatives, elected or appointed, shall be granted time off without loss of pay from their regular school duties to attend local meetings dealing with grievance proceedings and labor negotiations. Whenever possible, such meetings will be scheduled so as not to interfere with normal work duties. The District shall not be obligated to pay overtime compensation due to the provisions of this section.
- C. The District will release the Association President or his or her designee for up to ten (10) work days each year for Association business. The Association will reimburse the District for the full cost of salary and benefits.
- D. Association Meetings. Any nighttime employee wishing to attend a monthly Chapter meeting may be allowed to attend with the understanding that he or she make up lost time due to the meeting and the attendance is approved by the building principal or supervisor. The employee will arrange to make up time with his or her supervisor.
- E. Meeting Notices. The District shall provide the Association with the agenda of future meetings of the District Board of directors as soon as practicable following delivery to the school board. The District shall provide the Association with a copy of the official minutes of the Board meetings within fifteen (15) days after the minutes have been approved by the board.
- F. Reimbursement of Personal Property Damage. The District shall make available a maximum of \$2,500.00 per year (non-accumulative) to the Association's Reimbursement Committee for reimbursement of employees' reasonable costs of clothing or eye glasses that have been damaged or destroyed as a result of an assault or injury and any vandalism incidental thereto, if the employee was acting in a reasonable and necessary manner while engaged in an official capacity. This does not include reimbursement for jewelry. At no time will the reimbursement for damaged personal property exceed the amount of the affected employee's deductible. The Association will establish a Reimbursement Committee to determine distribution of the \$2,500.00. The Reimbursement Committee will then submit the reimbursement request to the District. The Superintendent may request a signed statement identifying the damaged or destroyed items, and the estimated cost of any claim under this provision.
- G. Mail Facilities, Mail Boxes and Email. The Association shall have the right to use the inter-school mail courier service, school mailboxes and email as it deems necessary and without the approval of building principals or other members of the administration, unless such use is deemed by the administration to overload or put undue cost upon the service, or is in violation of the U.S. Postal Service's rules and regulations. The Association shall not use the District's mail facilities, mail boxes, or email for any pre-strike, strike or post-strike activity.

Article 4 — Savings Clause

Notwithstanding ORS 243.702(1), if any provision of this Agreement is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any such tribunal, the remainder of the Agreement shall not be affected thereby. Upon request of either the Board or the union, the parties shall enter into negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement for such provision.

Article 5 — Information Availability

A. General

The union will have made available by the District public information requested by the union in the form and content in which it is readily available, provided the same is not exempt from public disclosure under ORS Chapter 192. The District may charge and the union shall pay reasonable duplicating costs for these materials.

B. New Employee Notification

The District will provide monthly reports indicating the list titles below to the Association Chapter President. Additionally, the new hire email alerts from the payroll/HR system will generate for the Association.

1. Name of employee
2. Position classification
3. Salary range schedule and step placement
4. Work site
5. Seniority Date

Article 6 — Nondiscrimination

The district shall promote nondiscrimination and an environment free of harassment based on an individual's race, color, religion, sex, sexual orientation, national origin, marital status, age or disability, because of the race, color, religion, sex, sexual orientation, national origin, marital status, age or disability of any other persons with whom the individual associates, with or without reasonable accommodation, is able to perform the essential functions of the position, membership or non-membership in any organization. All references to employees in this Agreement designate both sexes, and when the male gender is used, it shall be construed to include both male and female employees.

Article 7 — Personnel File

- A. The official file of each employee is confidential and shall be kept in the District Human Resources Office.
- B. No evaluation document, disciplinary document, or complaint that reflects critically upon an employee or the employee's performance will be placed into the employee's personnel file without a copy being furnished to the affected employee. Normally, proof that the employee has been given a copy will be obtained by having the employee sign or initial the file copy acknowledging receipt of a copy or by way of a statement by the supervisor that the employee has been shown the material and has refused to sign it. In the event the employee is not available to initial or sign the document or the employee refuses to do so, a copy will be forwarded to the OSEA Chapter president or designee.
- C. The employee shall have the right to make a written statement relating to any evaluation, reprimand, charge, action, or any matter placed in the personnel file.
- D. The personnel file shall be open for inspection by the employee during regular office hours, by appointment and under the supervision of District representation while viewing the file. The personnel file shall be open only to such other persons as are officially designated in writing by the District or by the employee.
- E. Material placed in the personnel file of an employee without conformity with the provisions of this Article will not be used by the District in any subsequent evaluation or disciplinary proceeding involving the employee.
- F. Once any material is placed in the file it should never be removed from the file.

Article 8 — Personnel Policies

The District agrees to forward to the Association president any changes in personnel policies. The Association agrees to assist the District in communicating those changes to all bargaining unit members.

Article 9 — Association Security

A. Association Membership

1. Employees have the right to join the Association, but membership in the Association shall not be required. The District will advise all newly employed at the time of their employment that the Association is their exclusive bargaining representative.
2. The District agrees to deduct Association dues and fees of the Association for all employees who are members of the Association and to promptly remit those funds to the Association's state headquarters.

B. Fair Share

1. An amount equal to the total of the OSEA dues will be deducted from the pay of each nonmember of the Association by the District in equal monthly installments during their time of paid status.
2. The rights of non-Association employees, based on religious tenets, shall be protected. Such employees shall pay the fair share amount to a non-religious charity in accordance with the applicable procedures under ORS 243.666(1).

C. Disbursement of Funds

The District shall disburse all Association dues and fair share deductions except as relates to designated charities, to the Association's state headquarters.

D. Hold Harmless

The Association agrees to hold the District harmless against any and all claims, suits, orders or judgments brought against the District as a result of the provisions of sections A and B, above.

Article 10 — Layoff and Recall

- A. Seniority shall be defined as the total length of service as a permanent classified employee within the District from the most recent date of hire. For accounting purposes, all authorized paid leave will be counted towards seniority; authorized, unpaid leaves of absence in excess of 30 calendar days will not count towards seniority, but will not break seniority. All ties in seniority will be broken by the drawing of lots. Classified employees who are laid off and subsequently recalled shall retain cumulative seniority for all periods worked except for the period of layoff.
- B. When a layoff occurs within the bargaining unit, the Association and those employees affected will be notified as soon as practicable but with a minimum of 5 workdays' notice. This Article only covers layoffs which occur as a result of reductions in whole or part-time positions of at least four (4) hours per work day, or a reduction which would result in the employee moving from full insurance contributions to prorated contributions or from prorated contributions to loss of insurance benefits. (See Article 17, Insurance and Other Fringe Benefit Allowance.)
- C. The Association may, upon notification of the layoffs, request to meet with District representatives to discuss the pending layoffs. As part of the discussions, the Association may provide the District with suggestions or recommendations for reductions. However, such suggestions or recommendations shall not be construed as a right to bargain such issues nor shall they cause time lines to be extended, unless the District so desires. The Association's suggestions or recommendations shall not deter the District from placing its determined course of action into effect.
- D. Layoff of bargaining unit employees will be based upon seniority. When positions are eliminated or reduced in hours sufficient to meet the definition of a layoff as set forth in Section B, employees will be transferred in the following sequence:
1. Senior employees in the affected positions will be transferred to positions within their respective job titles occupied by less senior employees which provide sufficient work hours to leave the senior employee's insurance benefits unaffected and most closely restore the hours cut from the senior employee's work schedule. However, senior employees who are reduced in hours may have the choice to either stay at their building with reduced hours or exercise their bumping rights.
 2. Once transfers within job titles have been completed, employees displaced by transfers and employees in affected positions lacking the seniority to transfer within their job titles will be transferred, per the terms set forth in Section D, 1, to positions within their respective classification groupings (listed in Appendix 1 A) which are occupied by less senior employees. Available work hours will be awarded based on seniority.
 3. Following completion of all transfers, the least senior employee(s) may then exercise any rights they may be entitled to under Section E of this Article or be laid off.

Less than 12 month employees may not displace 12 month employees. Transfers are allowed between less than 12 month employees provided that all other conditions set forth in this Article are met. Employees displaced by transfers will also be transferred as described in this Section.

Laid-off employees will not be paid any salary or benefits during the period of layoff. Notwithstanding, a laid-off employee may, at his/her own expense, continue insurance coverage, subject to the approval of the insurance carrier(s) and subject to applicable laws.

- E. An employee who has total length of continuous service with the District which is greater than that of employees in a job in which he/she has had prior work experience with the District, and for which he/she is qualified at the time of layoff, may bump any such other employee provided employee performance in the prior position was satisfactory up to and including the time of transfer. Less-than 12-month employees may not bump 12-month employees. Bumping is allowed between less-than 12-month employees provided that all other conditions set forth in this Article are met.
1. A bumped employee may in turn bump an employee with the least seniority in the same job title. If there is no less senior employee, such bumped employee may bump out of the job title on the same terms as described above. An employee may refuse to accept transfer to the new position and shall be laid off and placed on the recall list. The employee is then subject to recall in accordance with the procedures set forth below.
 2. An employee who bumps out of his/her salary range shall be compensated at the range for the job title into which he/she has bumped at the same step occupied prior to bumping, or at the highest step he/she had previously worked at within the job title into which he/she bumped, whichever is greater. An employee may choose not to bump into a new position and shall be laid off and placed on the recall list. The employee is then subject to recall in accordance with the procedures set forth below.
 3. Employees can bump down within Position Groupings (Appendix 1 A) by seniority even if they have not previously held the position provided the employee is qualified. Bumping may only occur into the same or lower pay range within the employee's Position Groupings and at no time shall an employee bump into a position that provides more hours per work day than the employee's previously held position.
- F. 1. In order to be "qualified" for a position, an employee must possess any required licenses, training, or qualifications necessary to perform the new job as defined by the current position description. Any such required licenses, training, or experience, must be present at the time of bumping. During the 5-workday notice provided in section B above, the District will allow the employee that is to be laid off, and wanting to bump, the opportunity to bring forth additional information which may not be in the person's personnel file, that demonstrates the person's current licenses, training, or qualifications to perform the new job.
(This allowance is not provided for the employee to acquire the licenses, training, or qualifications.)
2. The parties recognize that some training may be necessary to assist the qualified employee in performing in the new position with a different job title. The District will devise and implement a transitional plan that will assist the employee to function in the new job and to evaluate the employee in the new job.

This plan will be in writing and completed within the first four (4) weeks the employee is in the new job. In connection therewith, the District will provide the training to the employee, and the employee will be assessed within 90 days after placement in the new position to determine whether or not the person is satisfactorily meeting the requirements of the position. The Association and the employee shall be allowed input into the plan and shall sign the plan, indicating any disagreement with the type and extent of the training. If after 90 days in the new position the District determines that the employee is not satisfactorily meeting the requirements of the position, the employee may be laid off in accordance with the layoff provisions set forth above. The employee, if eligible to bump into another position under the layoff provisions set forth above, will be limited to bump once more before being laid off and placed on the recall list. The 90-day assessment period may be extended by the District for up to an additional 90 days upon notice to the affected employee and Association president.

- G. Rights of recall will be afforded to employees who elect to accept a layoff without exercising bumping rights as set forth above or who elect to remain in a position which sustains a time reduction.
- H. **Pay Status:** An employee to be laid off who stays in the same pay range after bumping will remain at the employee's previous salary step. An employee to be laid off who ends up bumping a less senior employee in a lower pay range and position title will be paid at the step of that pay range which is commensurate with the employee's years of service with the District.
 - I. The District agrees to notify any bargaining unit member if a proposed change in the bargaining unit member's work hours would remove the employee from eligibility to participate in the Public Employees Retirement System.
- J. **Recall:** Employees laid off shall retain all rights to recall in effect at the time they were laid off. Recall rights shall exist for 18 months from the date of layoff. Recall rights are extended to employees who have been reduced in pay or who have experienced reductions in time of over four (4) hours from their former regular daily work schedule. Any laid-off employee not recalled according to this procedure within the 18 months will be deemed to have been separated from District employment (resigned) in good standing.
- K. Whenever the District determines that a vacant position exists where a layoff has been experienced (within the last 18 months) and which the District intends to refill, laid-off employees from that position title will be recalled in reverse order of layoff. The recall notice will be sent by e-mail and regular mail to the last address the District has on record for the laid-off employee and a copy will be sent to the Association president. The laid-off employee will have 7 calendar days to respond and accept or reject the recall notice. A laid-off employee may not reject more than one recall offer extended by the District. The failure to accept a second recall offer shall cause the laid-off employee to forfeit all recall rights and will be deemed to be a resignation.

A recall must be to at least 75% of the person's former salary level as computed on an average weekly basis. If an employee accepts a recall offer that is 75% or more of the employee's former

salary level as computed on an average weekly basis, then that employee is removed from the recall list.

- L. During the 18 months of recall rights, no employee new to the District will be hired into positions which have experienced a layoff unless all qualified employees on layoff have been offered recall.
- M. If no laid-off employee has responded to the recall, or if no further laid-off employees exist, all other laid-off employees may apply for the regular_vacancy. Such application shall not prejudice the employee's rights to recall.
- N. All benefits to which an employee was entitled at the time of layoff, including unused accumulated sick leave, will be restored to the employee upon the return to active employment, provided those benefits are still in effect.
- O. Upon request, the District agrees to provide to the Association a complete list of all classified employees, including each employee's date of hire and total experience in District.
- P. As set forth in Appendix 1 A, the parties have grouped job classifications into Position Groupings.

Article 11 — Leaves

A. Sick Leave

1. Definition

Sick leave means absence from duty because of personal illness or injury. Sick leave may also mean absence from duty because of disability caused by pregnancy or childbirth which prevents the employee from working. Sick leave also means absence from work for family illness covered under FMLA/OFLA.

2. Eligibility

Sick leave shall accrue and be available for employee use on a monthly basis. See eligibility below:

- 10 month employees will be eligible for 11 days per year. 10 days may accrue

- 12 month employees will be eligible for 13 days per year. 12 days may accrue

Pay for sick leave absence shall be the same as if the employee had worked that day or lesser period of time. Sick leave may be used in increments of fifteen (15) minutes or more. Unused sick leave shall accumulate without limitation.

3. Evidence of Illness

The District may require an employee who has been absent due to illness or injury in excess of three (3) consecutive workdays or where there is a pattern of use or suspicion of misuse of illness/sick leave to provide a certificate from the employee's attending physician or practitioner, that the illness or injury prevents the employee from working and that verifies that the employee was ill or injured on the dates indicated. The District shall also retain the ability, after an employee's absence in excess of three (3) consecutive workdays or a pattern of illness/sick leave, for illness or injury to require a certificate from the employee's attending physician or practitioner that the employee is fit to resume the employee's duties. The District retains the right to assign a physician of its choice, at the District's expense, to verify illness.

4. Transfer of Sick Leave

New employees to the District who have worked in other Oregon districts or as an employee member of the system while in the service of any public employer shall, after completing thirty (30) working days, be eligible to transfer all unused accumulated sick leave.

- a. For retirement purposes, under ORS 332.507, the District will permit an employee who has been employed in other Oregon districts to transfer an unlimited number of days of unused accumulated sick leave.

- b. That usable for sick leave purposes shall not exceed seventy-five (75) days of the total transferred, and those must be certified as having been available for sick leave by the most recent public employer.

5. Notice of Illness or Injury

The employee shall give his/her supervisor maximum feasible prior notice of his/her intention to take sick leave. All leaves of absence involving sick leave more than three (3) consecutive work days must be approved via completion of the Leave of Absence (LOA) form and submitted to Human Resources within one (1) week after the leave. Failure to submit an approved Leave of Absence Request to HR is a violation of this contract.

6. Violation of Agreement

Any employee obtaining sick leave benefits by fraud, deceit, or falsified statement shall be subject to disciplinary action, up to and including dismissal.

B. Bereavement Leave

Employees shall be allowed three (3) days leave without loss of pay for each death in the immediate family. To avoid undue hardships, this time may be extended, at the discretion of the Superintendent or designee, not to exceed three (3) additional days with pay. Such leave shall not accumulate. Members of the immediate family shall include: spouse/domestic partner, (step-) child, (step-) parent, (step-) sister or (step-) brother, sister- or brother-in-law, parent-in-law, son- or daughter-in-law, (step-) grandparent, (step-) grandchild, or any relative or other individual living in the home of the employee subject to the approval of the Superintendent or designee.

C. Court Appearances

Leave of absence for jury duty or for court appearance as a witness, pursuant to subpoena, shall be granted with pay in the amount of the difference between the employee's regular pay and any amount she/he receives as a juror or witness fee, exclusive of mileage allowance. This leave is not available in any case where the employee or the Association is a complainant against the District.

In the case of an appearance as a court witness, leave with pay shall not exceed two (2) days. Such leave shall not accumulate. Additional days may be granted by the Superintendent or designee.

The employee shall submit a photocopy of the court's check to the District for the reimbursement of amounts received by him/her for juror or witness fees within a reasonable time after receipt of the same, which in no event shall exceed thirty (30) days.

Any appearance as the moving party or a defendant in a court proceeding except in course of duty with the District shall be without pay.

D. Civic Appearance

Leaves of absence in order to meet civic responsibilities may be approved up to one (1) day without pay by the Superintendent or his/her designee. To obtain approval for such leave from the Superintendent or his/her designee, the employee must submit a written request in advance showing:

1. how the appearance can benefit the school district and community,
2. how the appearance can benefit the employee by improving his/her professional performance, and,
3. approval of the building principal/supervisor.

E. Personal Leave

An employee may accumulate one (1) day of personal leave with pay, per school year, to a maximum accumulation of five (5) days. A maximum of four (4) paid personal leave days may be taken consecutively.

One additional day shall be granted to any employee having used no sick leave during the prior year provided that the employee has been with the District for a minimum of two complete fiscal years.

A request for personal leave must be submitted in writing to the employee's principal or immediate supervisor for prior administrative approval as soon as possible and at least one (1) day before taking such leave. Personal Leave may not be used on days designated for training.

F. Workers' Compensation

This provision is effective after determination and verification by Workers' Compensation or the Workers' Compensation Board that the employee has sustained a compensable injury as defined by ORS Chapter 656, and beginning with the date Workers' Compensation payments begin.

1. At the employee's option, an employee who sustains an injury or illness compensable by Workers' Compensation Insurance, and who is unable to perform his/her regular duties, may be compensated in the amount of the difference between his/her regular salary and the total of Workers' Compensation Insurance. The difference between these payments and the employee's regular salary shall be charged against the employee's accumulated sick leave, subject to the maximum accumulated.
2. An employee who had his/her sick leave deducted during the initial three (3) days absence due to an industrial accident/illness shall, following determination made that the

claim is compensable, have three (3) days restored to his/her sick leave account. If such determination is made after the employee has exhausted all available paid leave, appropriate adjustment shall be made to reflect the inclusion of those three (3) days.

3. An employee who sustains an industrial accident/illness shall have rights to return to service in accordance with ORS 659A.043.
4. The rights accorded herein will not grant the employee any rights beyond those accorded in Article 10 should a bona fide layoff occur.

G. Family Leave

The District acknowledges and will comply with all the provisions of the Federal Family and Medical Leave Act (FMLA) and the Oregon Family Leave Act (OFLA).

H. Leave for Domestic Violence, Harassment, Sexual Assault or Stalking

The District shall provide leave to eligible employees who are victims of domestic violence, harassment, sexual assault or stalking in accordance with Oregon law. Any employee who requires such leave shall be permitted to use accrued sick or personal leave, and use the established process for requesting leave.

I. Break in Seniority

Employees having accepted *District* employment outside of the bargaining unit (*thus making them a non-bargaining unit member*), excluding employees on the recall list, for more than 12 months will not retain seniority. A new *seniority* date will replace their former *seniority* date upon their return to the bargaining unit.

J. Leave Without-Pay

1. Leave without pay may be obtained for reasons such as health, family emergencies, business matters, and other reasons upon authorization by the Superintendent or designee. Leave without pay shall not exceed 12 weeks unless authorized by the Superintendent.
2. Requests for leaves of up to five (5) work days will be received and approved or rejected by the employee's supervisor. Requests for more than five (5) days duration and/or accumulation will require approval by the Superintendent or designee. The granting of all leaves without-pay is discretionary with the District.
3. Leave requests shall be made in writing through the Leave of Absence Request (LOA) form and submitted before the leave is taken, and must state the reason for said request, duration of the leave, and expected date of return. Employees granted unpaid leave will not accrue seniority if the leave exceeds thirty (30) working days.

4. Upon return from leave the employee shall be returned to his/her position held prior to the leave if reasonably possible, but if not to a different position in his/her Position Groupings for which the employee is qualified (to be determined by the District).
5. An employee on leave shall, after thirty (30) calendar days, be allowed to continue insurance benefits provided by the District with the employee paying his/her own premium for the duration of the leave.
6. If an employee has been granted an unpaid leave of absence under this section and subsequently files for and is granted Unemployment Insurance benefits, his/her leave shall be terminated as of the effective date of receipt of benefits and shall be considered a resignation from the District.
7. An employee who has been granted an unpaid leave of absence shall be eligible for placement on the recall list as provided herein but only for that period of time which remains after the amount of time involved in the unpaid leave of absence has been subtracted from the allowable eighteen (18) months as authorized herein.

K. Exhaustion of All Benefits

1. An employee who exhausts all benefits, including vacation, overtime or other compensable time, paid or unpaid leave, and who is still medically unable to assume the duties of his/her position, may be terminated, but will be considered for any position for which the employee applies as long as the employee can perform the essential duties of the position with or without reasonable accommodation.
2. If the individual is later medically able to resume the duties of his/her position, the individual shall so notify the employer. The employee shall provide the District with complete medical information attesting to the individual's fitness to return to duty. The employee may elect, subject to the approval of the supervisor, to take "comp" time in lieu of payment for the overtime hours (computed at 1 ½ times regular rate). No employee shall be permitted to accrue in excess of 80 hours of compensatory time. This provides the grants writer(s) with incentive for their time.
4. The employee work process can be carried out in one of two ways, subject to supervisor approval:

The District and Association agree that if classified employees are hired to serve as coaches or advisors for other school-approved co-curricular activities, they will be an authorized number of hours and paid no less than minimum wage for those hours, or the overtime rate if required by law. This does not restrict classified employees from volunteering to supervise and direct a co-curricular activity.

H. Emergency Delays / Closures

1. When schools/buildings are temporarily closed for a full-day due to an event such as inclement weather, classified employees will be allowed to use personal-leave, earned comp-time, vacation time or supervisor-approved schedule adjustments to make-up non-worked time.

If the newly-hired employee requests, the District will withhold the amount from salary amounts otherwise due the employee rather than requiring a lump sum payment.

Employees already employed by the District who are required to be fingerprinted and are required to undergo a criminal records check as a result of a job transfer will have the costs of such fingerprinting and the criminal records check paid by the District.

K. Uniforms

Classified special education assistants who are required as part of their job duties to assist children during swimming classes will be reimbursed up to \$50.00 per year for swim wear.

The current medical insurance carrier is the Oregon Educators Benefits Board (OEBB). Dental, Vision and Life insurance are currently part of the fringe benefit package offered by LCSD to the bargaining unit.

The District does not guarantee against unilateral changes in benefits initiated solely by the insurance carriers (companies). In the event of carrier-initiated benefit or program changes during the life of this Agreement, the parties agree to bargain, upon demand under expedited bargaining, over potential changes in the carrier.

For the terms of this Agreement, the parties will designate OEBB's High-Deductible/HRA compatible plan as the preferred district major medical plan for bargaining unit members.

1. Members enrolling in this plan for medical insurance coverage shall also be eligible to participate in the District sponsored group HRA account.
2. The purpose of the group HRA is to provide reimbursements to members enrolled in OEBB's high-deductible plan.

Employees working less than four (4) hours per day will be ineligible for insurance benefits.

Members of the bargaining unit who were employed by the District on and before January 10, 1992, and who were regularly employed for less than eight (8) hours per day, will continue to receive prorated District contributions based upon the following formula: Four hours or more = 100% contribution; three hours = 75% contribution; two hours = 50% contribution; one hour = 25% contribution; or, any appropriate division thereof depending upon the hours employed. Employees hired after January 10, 1992 who are regularly scheduled to work less than eight (8) hours per day will receive full proration of District contributions as described above.

D. Enrollment

The employee, Association and the Lincoln County School District agree that it is the employee's personal responsibility to actively enroll in health benefits during open enrollment or within 30 calendar days upon hire.

Enrollment forms and account set-ups for Health Reimbursement Arrangements (HRA) and Health Savings Accounts (HSA) must be completed within 30 calendar days of open enrollment or hire date. If the employee fails to complete the requirements for enrollment or account set-up within this time period, it will be considered an automatic forfeiture of their choice of the benefit until the following open enrollment.

Many personal decisions are involved in open enrollment. It is understood that District staff are not responsible for these decisions. Therefore, it is agreed that the following will be implemented for those employees who don't actively enroll during Open Enrollment; a plan will be chosen for the employee and his/her dependents at the lowest cost.

This plan will not be available to new members. The district will contribute the difference between the employee's current insurance cap and the actual premium into the employee's HSA account up to the annual allowable annual maximum contribution. All forms and account set-ups must be completed within 30 calendar days of open enrollment or hire date.
- G. **Medical Opt Out Option:** Bargaining unit members who would otherwise be categorized as "double-covered" and can provide proof of health insurance through a spouse or domestic partner may elect to opt-out of district provided health insurance. Members who elect to opt-out shall receive a district contribution equal to 50% of the employee's current insurance cap into an HRA (Health Reimbursement Arrangement). The District shall retain the remaining 50% in the form of savings. Any member who pursues an opt-out based on proof of coverage through a domestic partner shall be informed prior to the completion of the opt-out that their insurance benefit will be subject to the federal taxation. All forms and account set-ups must be completed within 30 days of open enrollment or hire date.

Article 21 — Grievance Procedure

Purpose

The intent of the procedure set forth in this Article is to secure, at the lowest possible administrative level, the impartial, orderly, and expeditious adjustment of employee grievances.

If agreement is impossible on the extension of such time limits, the Superintendent or his/her designee shall decide whether to extend such time limits.

2. **Resolution and Appeal**

- a. Failure by the grievant at any level of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed acceptance of the decision rendered at that level.
- b. Failure by the supervisor or administrator at any level of the procedure to communicate his/her decision to the employee(s) within the specified time limits shall be considered as a denial of the grievance and will allow the grievant to proceed to the next level.

3. **Grievance Files**

All documents, communications and records of a grievance will be kept in a Grievance File in the District office, separate from the personnel file(s) of the grievant(s) and shall be available to the grievant and his/her representative.

4. **Representation**

A grievant may represent him/herself at all levels of the grievance procedure. A grievant may also be represented, at his/her option, by a representative at all levels of the grievance procedure. This option gives an employee the ability to handle the procedure without representation or, if the employee prefers, the opportunity to communicate with a union representative before proceeding.

5. **Representation by Legal Counsel**

Should either party elect to be represented by legal counsel during the grievance procedure she/he shall notify the Superintendent at least two (2) days prior to the scheduled hearing. The Superintendent will notify the other party of the first party's decision to engage legal counsel.

In grievances involving more than one person, one grievant or his/her representative shall be designated by the grievant as their spokesperson.

If the grievance is not resolved informally it shall be reduced to writing by the grievant who shall submit it to his/her immediate supervisor. The written statement shall give a clear and concise statement of the alleged grievance, including the facts upon which the grievance is based, the issue involved, the collective bargaining agreement provision(s) involved and the relief sought.

If the grievant does not submit his/her grievance to the immediate supervisor, in writing within twenty (20) days after the facts upon which the grievance is based first occurred or within twenty (20) days of the employee's first knowledge of the grievance, then the grievance shall be deemed waived and null and void.

The immediate supervisor will reply in writing to the grievant within ten (10) days after receipt of the written grievance.

2. **Level Two - Superintendent**

If a grievance is not settled at Level One and the grievant wishes to appeal the grievance to Level Two, the grievant may file the grievance in writing with the Superintendent within ten (10) days after receipt of the immediate supervisor's written answer.
