

LINCOLN COUNTY SCHOOL DISTRICT TOUCHBASE | ONLINE PAYMENTS

TIPS AND TRICKS FOR NEW PARENTS / CUSTOMERS

WELCOME!

Thank you for using our online payment system: TouchBase. Our online payment system is a bit more than a place to make payments – we trust you’ll find it a valuable tool when managing your account or your student’s account!

As a parent/customer, you’ll be able to:

1. Purchase items online – such as yearbooks and school spirit apparel
2. Pay Student Fees and/or fines online
3. Pay fines, fees, or purchase items for all your students in one transaction
4. View/print/save your student/customer ledger
5. View/print/save your receipts
6. Support your student’s class, clubs and other District programs such as HELP (Homeless Education & Literacy Project) by donating online

And much more!

WHAT IS THIS NEW APPLICATION?

InTouch Receipting and TouchBase Online Payments are part of a cutting edge software package [Lincoln County School District](#) has implemented to streamline the management, reporting, and accountability of your student’s financial record, as well as making it easy on *our* customers – *the parents* – to pay student fees, make a donation to your school, or purchase items - all in one place.

As a parent, this new application allows you to access your student’s account online using a computer, via your favorite mobile device, or in person, at any one of our school locations.

HOW DO I SIGN IN TO THE ONLINE PAYMENT SYSTEM?

The online payment application – TouchBase – has been configured to use the following login credentials:

Username: Your Pinnacle User ID

Password: Click the button next to “Password” to set your password

For parents with multiple students in the district, you’ll be able to see all of your students with your one username and password. Once you’ve selected your student, the shopping experience will be specific to that student.

Once on your student dashboard, everything will be specific to your student. Here are the most common tools you should become familiar with:

Figure 1

- A. Fees and/or fines may be present on your student's account. If your student *has* a fee/fine on their account, you will see a **RED** notification window – this is your key to look at, and pay, any fees or fines assessed to your student's account. There are many reasons why a fee or fine may be present on your account, and selecting "VIEW" will display the detail specific to your student.

NOTE: If you have questions regarding a fee/fine assessed to your students account, please contact your student's building or visit the "FAQ" section at the end of this document.

- B. "Items at Student's School" is where you'll go to browse items available to your student for purchase. This should look familiar to you if you're familiar with online shopping. Once you've selected items in the webstore, you can view/edit your cart, or proceed to checkout.
- C. "Purchase History" is an on-demand tool for you to use to track your purchase history. This allows you to confirm prior purchases or confirm payment was delivered by your student to the building.
- D. "Reprint Receipts" is a tool that allows you to print a single receipt rather than your full payment ledger (*Purchase History*)

I'M IN THE WEBSTORE, BUT SOME ITEMS AREN'T AVAILABLE TO ME, WHY?

The online payment system is integrated with many other systems across the district, and as a result, the webstore items can be 'flagged' to limit what students can purchase items. Below are examples of what you may see in the webstore, and the reason(s) certain items look the way they do: **NOTE - Examples shown are not actual Lincoln County School District items. Actual descriptions will vary.**

"Buy"

An item that's available for purchase in the webstore will display a blue "Add" button – this means it's available for purchase:

Item	Qty	Amount	
 <p>ASB CARD FEES REQUIRED FOR STUDENT ATHLETES TO PARTICIPATE IN SPORTS</p>	1	15.00	Buy

"Sold Out"

This notification will display if the quantity has been depleted on an item, or if the item is currently unavailable. *TIP: check the item description – there may be additional instructions for you regarding the item.*

Item	Qty	Amount	
 <p>AP US GOVERNMENT & POLITICS TRIP SPACE IS LIMITED, FIRST COME, FIRST SERVED.</p>			Sold Out

"Pay Fines"

This is displayed when an item is marked to restrict purchases for students with outstanding fines on their account. If you click the "Pay Fines" button, this will take you to the fine window where you can add all applicable fines to your cart. Once you've added the fines to your cart, you'll be able to add the restricted item to the cart as well:

Item	Qty	Amount	
 <p>THE PLANETS Support our hard working Symphony students! Attend their production of Holst's, The Planets!</p>			Unavailable until fines are paid Pay Fines

“Grade Restriction”

Items that are restricted to a specific grade, are only available to students enrolled in the listed grades. If you find your student is listed in the wrong grade, or the item you wish to purchase *should* be available to your student – please contact the school for more information.

	CULINARY TRIP	Only available to grade(s) 12
---	---------------	-------------------------------

“Multipart Items/Combo Items”

If you find an item has multiple options available, this is a ‘Multipart item’ and you have the option to select what items you wish to add to the cart. If any of the checkboxes are greyed out/unavailable to edit, this means they are required.

Item	Qty	Amount	Buy

AP HISTORY	8.00	<input checked="" type="checkbox"/>	
ATHLETICS FUNDRAISER	12.50	<input checked="" type="checkbox"/>	
YEARBOOK SALES	80.00	<input type="checkbox"/>	

“Donation Items (variable prices)”

If an item is a ‘variable price’, this will allow you to place your own amount on the purchase. The most common examples of a variable priced item are fundraisers and donations.

FAQ | COMMONLY ASKED QUESTIONS

Q: IS MY CREDIT CARD DATA STORED WHEN I USE THE ONLINE PAYMENT APPLICATION?

A: No – the online payment application *does not store your card data under any circumstance*. Lincoln County School District *does not store your credit card data under any circumstance either*. The online payment system uses PCI compliant processes and security protocols to ensure your data is protected while being processed. All payments are secure and protected.

Q: WHAT CARD TYPES ARE CURRENTLY ACCEPTED ONLINE?

A: VISA, MASTERCARD, DISCOVER

Q: I HAVE A FINE ON MY STUDENT'S ACCOUNT. WHY WOULD MY STUDENT HAVE A FINE?

A: There are several reasons why your student may have a fine. The online payment application is integrated to each school's finance office, and many other district systems send the online payment application data. The most common reasons for why a fine is on a student's account are:

- A student lost or damaged a library/textbook
- A class fee wasn't paid
- A student damaged school property
- A student didn't pay a field trip fee, a club due, etc. on time.

If there is a fine on your account, certain items may be restricted for purchase until the fine(s) are paid.

Q: I'VE TRIED TO LOG IN TO THE WEB STORE, BUT I HAVEN'T BEEN ABLE, WHAT SHOULD I DO?

If you are having issues signing into the web store, it's most likely because you haven't created a password, or because you aren't signed up/enrolled in the online payment system. You can first try the reset password utility on the login page, but if that doesn't work, please contact Jamie Nicholson at jamie.nicholson@lincoln.k12.or.us or (541) 265-4420 for further instructions.

Q: THERE IS AN ITEM MY STUDENT WANTS TO PURCHASE, BUT I DON'T SEE IT AVAILABLE IN THE STORE

A: The web store offers many items to parents and students, but there are certain items that may require hands-on management. As a result, the item may not be available in the web store. Typically, if there's an item that requires this level of management, a fee will be assessed to the applicable students.

Some items may only be available during certain times of the year. Be sure to check in often!
